

RBC Royal Bank®

Congratulations!

As the owner of a successful business, you have been nominated as an outstanding and worthy candidate for the

2010 RBC Canadian Woman Entrepreneur Awards.

The purpose of the Awards is to provide national recognition to Canada's women entrepreneurs, whose successful businesses and achievements contribute so much to the Canadian and global economies as well as to their communities. By shedding light on extraordinary women, like you, we hope to advance your business and personal networks; provide significant profile and visibility for you and your business; and create additional opportunities for you to actively participate on for-profit and non-profit boards, government committees and/or industry associations. It is also important that we share these stories in order to inspire future growth and success from small to big business.
